Annual Index, Volume 34, 1986

Author Index

Abraham JP
Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Raman SBK, Saeed SM, Sawdyk M. 1986;34:202-6.

Ahmad BK
Recovery following acute pontine hemorrhage. Redmond JMT. 1986;34:6-10.

Alam M
Echocardiographic evaluation of patients with congestive heart failure. 1986;34:163-7.
Echocardiographic features of metastatic pericardial and myocardial malignancy. Green C, Rosman HS, Lakier JB. 1986;34:288-90.
Restrictive cardiomyopathy. Garcia R. 1986;34:168-73.

Anderson WB
Use of a "permission giving" patient checklist in identification of social and sexual problems. 1986;34:267-9.

Ansari MR
Intussusception of the appendix and endometriosis. Sonnino RE. 1986;34:61-4.

Arlow FL
Barium granuloma mimicking rectal carcinoma. D'Angelo DM. 1986;34:213-4.

Asmussen R
The employer-purchaser impact on health care delivery and financing. 1986;34:241-6.

Ausman JI
The EC-IC bypass study: Does it answer the question? Diaz FG. 1986;34:75-7.
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Welch KMA, Ewing JR, Diaz FG. 1986;34:48-50.
Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Jack CR Jr, Mehta BA, Boulos RS, Patel SC, Malik GM. 1986;34:11-8.
Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck, and spine. Mehta BA, Jack CR Jr, Boulos RS, Patel SC, Malik GM. 1986;34:19-30.

Balchandani K
Endodermal sinus tumor in a 14-year-old girl. Boyce LC, Padda R. 1986;34:132-3.

Baumann TJ
The safety and efficacy of a new patient-controlled analgesia device in hospitalized trauma and surgery patients. Gutschi LM, Bivins BA. 1986;34:105-8.

Bell RM
Pulmonary microembolism in the canine model: Report of a pilot study. Bivins BA, Rapp RP. 1986;34:109-12.

Bencich JJ
The failure of anthropometry as a nutritional assessment tool. Twyman DL, Fierke A. 1986;34:95-8.

Beute GH
Chest radiographs in surgical intensive care patients: A valuable "routine." Horst HM, Fagan B. 1986;34:84-6.

Bivins BA
Critical surgical services and the fragmented patient. 1986;34:83.
Nutritional support of the brain injured patient: Five years of clinical study in perspective. Twyman DL. 1986;34:41-7.
Pulmonary microembolism in the canine model: Report of a pilot study. Rapp RP, Bell RM. 1986;34:109-12.
The safety and efficacy of a new patient-controlled analgesia device in hospitalized trauma and surgery patients. Baumann TJ, Gutschi LM. 1986;34:105-8.
Trauma in pregnancy. Sorensen VJ, Obeid FN, Horst HM. 1986;34:101-4.

Bogorad DD
Bilateral dislocation of the crystalline lens in a patient with presumed syphilitic uveitis. Rapkin JS. 1986;34:207-10.

Boulos RS
Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Jack CR Jr, Mehta BA, Patel SC, Ausman JI, Malik GM. 1986;34:11-8.
Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck and spine. Mehta BA, Jack CR Jr, Patel SC, Ausman JI, Malik GM. 1986;34:19-30.

Bower GC
Idiopathic bilateral chylothorax presenting as a left-sided neck swelling. Tankanow LB, Petrozzi C, Ward JC. 1986;34:130-1.

Boyce LC
Endodermal sinus tumor in a 14-year-old girl. Balchandani K, Padda R. 1986;34:132-3.

Bristol JA
New positive inotropic agents. Jafri SM. 1986;34:188-92.

Burnstein MI
Radiographic features of anterior cruciate ligament reconstruction. Ellis BI, Teitge RA, Gross ML, Shier CK. 1986;34:270-4.

Chapman R
Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Glines C, Eichenhorn M, Kvale P, Popovich J Jr. 1986;34:285-7.

Conway W
Marketing physician practices: Developing an action plan for success. Steiner B, Klegon D, McCarthy P. 1986;34:257-62.

Crots L
Evaluation of the economic impact of pharmacist involvement in hyperalimentation therapy. Shoup L. 1986;34:99-100.

D'Angelo DM
Barium granuloma mimicking rectal carcinoma. Arlow D. 1986;34:213-4.

DasGupta DS
Postinfarction papillary muscle rupture: A new M-mode echocardiographic sign. D'Cruz IA. 1986;34:70-2.

D'Cruz IA
Postinfarction papillary muscle rupture: A new M-mode echocardiographic sign. DasGupta DS. 1986;34:70-2.

Diaz FG
The EC-IC bypass study: Does it answer the question? Ausman JI. 1986;34:75-7.
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Welch KMA, Ewing JR, Ausman JI. 1986;34:48-50.

Drost C
Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Keith FM, Magilligan DJ Jr, Lakier JB. 1986;34:197-201.

Eichenhorn MS
Catamenial hemoptysis: A case report. Harkaway PS. 1986;34:68-9.
Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Glines C, Kvale P, Chapman R, Popovich J Jr. 1986;34:285-7.

Elias SB
Science or technology: A challenge for clinical neurosciences. 1986;34:5.

Ellis BI
Nineteen-year radiographic follow-up of untreated Paget's disease of bone. Shier CK, Tennyson G, Kleerekoper M. 1986;34:127-9.
Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Teitge RA, Gross ML, Shier CK. 1986;34:270-4.

Evans E
Gravid uterine rupture following cesarean section and intervening vaginal delivery. Udo-Inyang A, Lee C. 1986;34:215-7.

Ewing JR
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Welch KMA, Ausman JI, Diaz FG. 1986;34:48-50.

Fachnie JD
The clinical usefulness of measuring apolipoproteins in diabetic patients: A preliminary report. McGill J, Foreback C, Kahkonen DM. 1986;34:113-6.

Fagan B
Chest radiographs in surgical intensive care patients: A valuable "routine." Horst HM, Beute GH. 1986;34:84-6.

Fierke A
The failure of anthropometry as a nutritional assessment tool. Bencich JJ, Twyman DL. 1986;34:95-8.

Foreback C
The clinical usefulness of measuring apolipoproteins in diabetic patients: A preliminary report. Fachnie JD, McGill J, Kahkonen DM. 1986;34:113-6.

Frame B
Medical challenges in space. 1986;34:136-43.

Gade D
DNR—A God-like decision. 1986;34:73-4.

Garcia R
Restrictive cardiomyopathy. Alam M. 1986;34:168-73.

Gheorghiade M
Indications for acute and chronic digitalis administration in heart failure. 1986;34:178-83.
Pathophysiology of heart failure. Lakier JB. 1986;34:153-5.
Potassium and heart failure. Rosman HS, Goldstein S. 1986;34:174-7.

Glasberg JR
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg MR, Jones RE. 1986;34:37-40.

Glasberg MR
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg JR, Jones RE. 1986;34:37-40.

Glick CL
The effect of aortic valve replacement on left ventricular function in patients with aortic valvular disease. Lee T, Lakier JB, Goldstein S. 1986;34:193-6.

Glines C
Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Eichenhorn M, Kvale P, Chapman R, Popovich J Jr. 1986;34:285-7.

Goldstein S
Altered platelet function in patients with severe congestive heart failure. Jafri SM, Riddle JM, Raman SBK. 1986;34:156-9.
Beta-adrenergic blocking agents in congestive heart failure. 1986;34:184-7.
"Congestion": An infrequent feature in patients with chronic heart failure on therapy. Jafri SM, Lakier JB, Rosman HS. 1986;34:160-2.
The effect of aortic valve replacement on left ventricular function in patients with aortic valvular disease. Lee T, Glick CL, Lakier JB. 1986;34:193-6.
Potassium and heart failure. Rosman HS, Gheorghiade M. 1986;34:174-7.

Gray ML
Mortality from postoperative myocardial infarction in nonthoracic surgical patients at a community hospital. Reimer RS, Thompson MD. 1986;34:117-9.

Green C
Echocardiographic features of metastatic pericardial and myocardial malignancy. Alam M, Rosman HS, Lakier JB. 1986;34:288-90.

Gross ML
Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Ellis BI, Teitge RA, Shier CK. 1986;34:270-4.

Gutschi LM
The safety and efficacy of a new patient-controlled analgesia device in hospitalized trauma and surgery patients. Baumann TJ, Bivins BA. 1986;34:105-8.

Harkaway P
Catamenial hemoptysis: A case report. Eichenhorn MS. 1986; 34:68-9.
Small cell carcinoma of the lung in the intensive care unit. Glines C, Eichenhorn M, Kvale P, Chapman R, Popovich J Jr. 1986;34:285-7.

Haubrich WS
The first-bite syndrome. 1986;34:275-8.

Hawley RC
Clinical and laboratory study of sickle cell/β-thalassemia. Maeda K, Van Slyck EJ. 1986;34:282-4.

Horst HM
Chest radiographs in surgical intensive care patients: A valuable "routine." Fagan B, Beute GH. 1986;34:84-6.
Hemodynamic response to fluid challenge: A means of assessing volume status in the critically ill. Obeid FN. 1986;34:90-4.
Management of alcohol withdrawal in the critically ill patient: A selected review. Kantz RB. 1986;34:87-90.
Trauma in pregnancy. Sorensen VJ, Bivins BA, Obeid FN. 1986;34:101-4.

Jack CR Jr
Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Mehta BA, Boulos RS, Patel SC, Ausman JI, Malik GM. 1986;34:11-8.
Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck, and spine. Mehta BA, Boulos RS, Patel SC, Ausman JI, Malik GM. 1986;34:19-30.

Jafri SM
Altered platelet function in patients with severe congestive heart failure. Riddle JM, Raman SBK, Goldstein S. 1986;34:156-9.
"Congestion": An infrequent feature in patients with chronic heart failure on therapy. Lakier JB, Rosman HS, Goldstein S. 1986;34:160-2.
New positive inotropic agents. Bristol JA. 1986;34:188-92.

Jones RE
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg MR, Glasberg JR. 1986;34:37-40.

Kabashima T
D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Matsumura T, Yuhara T, Yamane K, Kono I, Kashiwagi H. 1986;34:123-6.

Kahkonen DM
The clinical usefulness of measuring apolipoproteins in diabetic patients: A preliminary report. Fachnie JD, McGill J, Foreback C. 1986;34:113-6.

Kantz RB
Management of alcohol withdrawal in the critically ill patient: A selected review. Horst HM. 1986;34:87-9.

Kashiwagi H
D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Matsumura T, Yuhara T, Yamane K, Kono I, Kabashima T. 1986;34:123-6.

Keith FM
Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Magilligan DJ Jr, Lakier JB, Drost C. 1986;34:197-201.

Ketai R
Psychocardiologic perspectives of coronary artery disease. 1986; 34:56-60.

Kleerekoper M
Nineteen-year radiographic follow-up of untreated Paget's disease of bone. Shier CK, Ellis BI, Tennyson G. 1986;34:127-9.

Klegon D
Alternative delivery systems: The changing role of the physician. Siegel D. 1986;34:247-51.
Marketing physician practices: Developing an action plan for success. Steiner B, Conway W, McCarthy P. 1986;34:257-62.

Kono I
D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Matsumura T, Yuhara T, Yamane K, Kabashima T, Kashiwagi H. 1986;34:123-6.

Kuder JM
No miracle remedies in sight for financing health care for the poor. 1986;34:252-6.

Kupin WL
Anti-HLA antibodies complicating infectious mononucleosis with thrombocytopenia and neutropenia. Sawdyk M. 1986;34:65-7.

Kvale P
Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Glines C, Eichenhorn M, Chapman R, Popovich J Jr. 1986;34:285-7.

Lakier JB
"Congestion": An infrequent feature in patients with chronic heart failure on therapy. Jafri SM, Rosman HS, Goldstein S. 1986;34:160-2.

Echocardiographic features of metastatic pericardial and myocardial malignancy. Green C, Alam M, Rosman HS. 1986;34:288-90.

The effect of aortic valve replacement on left ventricular function in patients with aortic valvular disease. Lee T, Glick CL, Goldstein S. 1986;34:193-6.

Heart failure: New questions and insights about an old foe. 1986;34:151-2.

Pathophysiology of heart failure. Gheorghiade M. 1986;34:153-5.

Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Keith FM, Magilligan DJ Jr, Drost C. 1986;34:197-201.

Lane JC

Imaging, screening, artificial intelligence, and the diagnostic dilemma: An epidemiologist's response. 1986;34:144-6.

Leach DC

Money and manpower in graduate medical education. 1986; 34:263-6.

Lee CY

Characteristics, mortality, and outcome of infants weighing over 2500 grams who require intensive care. Udo-Inyang A. 1986; 34:279-81.

Gravid uterine rupture following cesarean section and intervening vaginal delivery. Udo-Inyang A, Evans E. 1986;34:215-7.

Lee T

The effect of aortic valve replacement on left ventricular function in patients with aortic valvular disease. Glick CL, Lakier JB, Goldstein S. 1986;34:193-6.

Maeda K

Clinical and laboratory study of sickle cell/β-thalassemia. Van Slyck EJ, Hawley RC. 1986;34:282-4.

Magilligan DJ Jr

Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Keith FM, Lakier JB, Drost C. 1986;34:197-201.

Malik GM

Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Jack CR Jr, Mehta BA, Boulos RS, Patel SC, Ausman JI. 1986;34:11-8.

Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck, and spine. Mehta BA, Jack CR Jr, Boulos RS, Patel SC, Ausman JI. 1986;34:19-30.

Manson G

Joseph A. Johnston, MD: An appreciation. 1986;34:134-5.

Matsumura T

D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Yuhara T, Yamane K, Kono I, Kabashima T, Kashiwagi H. 1986;34:123-6.

McCarthy P

Marketing physician practices: Developing an action plan for success. Steiner B, Klegon D, Conway W. 1986;34:257-62.

McGill J

The clinical usefulness of measuring apolipoproteins in diabetic patients: A preliminary report. Fachnie JD, Foreback C, Kahkonen DM. 1986;34:113-6.

Mehta BA

Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Jack CR Jr, Boulos RS, Patel SC, Ausman JI, Malik GM. 1986;34:11-8.

Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck, and spine. Jack CR Jr, Boulos RS, Patel SC, Ausman JI, Malik GM. 1986;34:19-30.

Nelson SR

Health care delivery system: Current trends and prospects for the future. Sahney VK, Peters DS. 1986;34:227-32.

Obeid FN

Hemodynamic response to fluid challenge: A means of assessing volume status in the critically ill. Horst HM. 1986;34:90-4.

Trauma in pregnancy. Sorensen VJ, Bivins BA, Horst HM. 1986;34:101-4.

Padda R

Endodermal sinus tumor in a 14-year-old girl. Boyce LC, Balchandani K. 1986;34:132-3.

Patel SC

Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Jack CR Jr, Mehta BA, Boulos RS, Ausman JI, Malik GM. 1986;34:11-8.

Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck, and spine. Mehta BA, Jack CR Jr, Boulos RS, Ausman JI, Malik GM. 1986;34:19-30.

Peters DS

Health care delivery system: Current trends and prospects for the future. Sahney VK, Nelson SR. 1986;34:227-32.

Petrozzi C

Idiopathic bilateral chylothorax presenting as a left-sided neck swelling. Tankanow LB, Ward JC, Bower GC. 1986;34:130-1.

Popovich J Jr

High-frequency ventilation: Current status. 1986;34:51-5.

Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Glines C, Eichenhorn M, Kvale P, Chapman R. 1986;34:285-7.

Priest R

Robert K. Nixon, MD. 1986;34:291-2.

Raman SBK

Altered platelet function in patients with severe congestive heart failure. Jafri SM, Riddle JM, Goldstein S. 1986;34:156-9.

Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Abraham JP, Saeed SM, Sawdyk M. 1986;34:202-6.

Rapkin JS

Bilateral dislocation of the crystalline lens in a patient with presumed syphilitic uveitis. Bogorad DD. 1986;34:207-10.

Rapp RP
Pulmonary microembolism in the canine model: Report of a pilot study. Bivins BA, Bell RM. 1986;34:109-12.

Redmond JMT
Recovery following acute pontine hemorrhage. Ahmad BK. 1986;34:6-10.

Reimer RS
Mortality from postoperative myocardial infarction in nonthoracic surgical patients at a community hospital. Gray ML, Thompson MD. 1986;34:117-9.

Riddle JM
Altered platelet function in patients with severe congestive heart failure. Jafri SM, Raman SBK, Goldstein S. 1986;34:156-9.

Robertson WM
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Welch KMA, Ewing JR, Ausman JI, Diaz FG. 1986;34:48-50.

Rosman HS
"Congestion": An infrequent feature in patients with chronic heart failure on therapy. Jafri SM, Lakier JB, Goldstein S. 1986;34:160-2.
Echocardiographic features of metastatic pericardial and myocardial malignancy. Green C, Alam M, Lakier JB. 1986;34:288-90.
Potassium and heart failure. Gheorghiade M, Goldstein S. 1986; 34:174-7.

Saeed SM
Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Raman SBK, Abraham JP, Sawdyk M. 1986;34:202-6.

Sahney VK
Health care delivery system: Current trends and prospects for the future. Peters DS, Nelson SR. 1986;34:227-32.

Sawdyk M
Anti-HLA antibodies complicating infectious mononucleosis with thrombocytopenia and neutropenia. Kupin WL. 1986;34:65-7.
Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Raman SBK, Abraham JP, Saeed SM. 1986;34:202-6.

Shier CK
Nineteen-year radiographic follow-up of untreated Paget's disease of bone. Ellis BI, Tennyson G, Kleerekoper M. 1986;34:127-9.
Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Ellis BI, Gross ML, Teitge RA. 1986;34:270-4.

Shoup L
Evaluation of the economic impact of pharmacist involvement in hyperalimentation therapy. Crots L. 1986;34:99-100.

Siegel D
Alternative delivery systems: The changing role of the physician. Klegon D. 1986;34:247-51.

Slubowski MA
The ambulatory care "gold rush?" 1986;34:233-6.

Smith RF
A tribute to Dr. Szilagyi. 1986;34:211-2.

Sonnino RE
Intussusception of the appendix and endometriosis. Ansari MR. 1986;34:61-4.

Sorensen VJ
Trauma in pregnancy. Bivins BA, Obeid FN, Horst HM. 1986;34:101-4.

Steiner B
Marketing physician practices: Developing an action plan for success. Klegon D, Conway W, McCarthy P. 1986;34:257-62.

Steinhauer BW
Issues facing group practice in the 1990s. 1986;34:237-40.

Tankanow LB
Idiopathic bilateral chylothorax presenting as a left-sided neck swelling. Petrozzi C, Ward JC, Bower GC. 1986;34:130-1.

Teasdall RD
The phenomenon of multiple stretch reflexes. 1986;34:31-6.

Teitge RA
Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Ellis BI, Gross ML, Shier CK. 1986;34:270-4.

Tennyson G
Nineteen-year radiographic follow-up of untreated Paget's disease of bone. Shier CK, Ellis BI, Kleerekoper M. 1986;34:127-9.

Thompson MD
Mortality from postoperative myocardial infarction in nonthoracic surgical patients at a community hospital. Gray ML, Reimer RS. 1986;34:117-9.

Twyman DL
The failure of anthropometry as a nutritional assessment tool. Bencich JJ, Fierke A. 1986;34:95-8.
Nutritional support of the brain injured patient: Five years of clinical study in perspective. Bivins BA. 1986;34:41-7.

Udo-Inyang A
Characteristics, mortality, and outcome of infants weighing over 2500 grams who require intensive care. Lee CY. 1986;34:279-81.
Gravid uterine rupture following cesarean section and intervening vaginal delivery. Lee CY, Evans E. 1986;34:215-7.

Van Slyck EJ
Clinical and laboratory study of sickle cell/β-thalassemia. Maeda K, Hawley RC. 1986;34:282-4.

Verbeck SR
Injection sclerotherapy of bleeding esophageal varices: The Henry Ford Hospital experience. Zonca MC, Wong DKH. 1986;34:120-2.

Ward JC
Idiopathic bilateral chylothorax presenting as a left-sided neck swelling. Tankanow LB, Petrozzi C, Bower GC. 1986;34:130-1.

Welch KMA
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Ewing JR, Ausman JI, Diaz FG. 1986;34:48-50.

Wong DKH
Injection sclerotherapy of bleeding esophageal varices: The Henry Ford Hospital experience. Verbeck SR, Zonca MC. 1986;34:120-2.

Yamane K
D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Matsumura T, Yuhara T, Kono I, Kabashima T, Kashiwagi H. 1986;34:123-6.

Yuhara T
D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Matsumura T, Yamane K, Kono I, Kabashima T, Kashiwagi H. 1986;34:123-6.

Zonca MC
Injection sclerotherapy of bleeding esophageal varices: The Henry Ford Hospital experience. Verbeck SR, Wong DKH. 1986;34:120-2.

Subject Index

Aerospace medicine
Medical challenges in space. Frame B. 1986;34:136-43.

Alcoholism
Management of alcohol withdrawal in the critically ill patient: A selected review. Kantz RB, Horst HM. 1986;34:87-9.

Ambulatory care
The ambulatory care "gold rush?" Slubowski M. 1986;34:233-6.

Analgesia
The safety and efficacy of a new patient-controlled analgesia device in hospitalized trauma and surgery patients. Baumann TJ, Gutschi LM, Bivins BA. 1986;34:105-8.

Anemia
Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Raman SBK, Abraham JP, Saeed SM, Sawdyk M. 1986; 34:202-6.

Anemia, sickle cell
Clinical and laboratory study of sickle cell/β-thalassemia. Maeda K, Van Slyck EJ, Hawley RC. 1986;34:282-4.

Anthropometry
The failure of anthropometry as a nutritional assessment tool. Bencich JJ, Twyman DL, Fierke A. 1986;34:95-8.

Aortic valve
The effect of aortic valve replacement on left ventricular function in patients with aortic valvular disease. Lee T, Glick CL, Lakier JB, Goldstein S. 1986;34:193-6.

Apolipoproteins
The clinical usefulness of measuring apolipoproteins in diabetic patients: A preliminary report. Fachnie JD, McGill J, Foreback C, Kahkonen DM. 1986;34:113-6.

Appendix
Intussusception of the appendix and endometriosis. Sonnino RE, Ansari MR. 1986;34:61-4.

Arthritis, rheumatoid
D-penicillamine-induced polymyositis occurring in patients with rheumatoid arthritis: A report of two cases and demonstration of a positive lymphocyte stimulation test to D-penicillamine. Matsumura T, Yuhara T, Yamane K, Kono I, Kabashima T, Kashiwagi H. 1986;34:123-6.

Athletic injuries
Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Ellis BI, Teitge RA, Gross ML, Shier CK. 1986; 34:270-4.

Azathioprine
Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Raman SBK, Abraham JP, Saeed SM, Sawdyk M. 1986;34:202-6.

Barium
Barium granuloma mimicking rectal carcinoma. Arlow FL, D'Angelo DM. 1986;34:215-7.

Behavior
Psychocardiologic perspectives of coronary artery disease. Ketai R. 1986;34:56-60.

Biometry
Imaging, screening, artificial intelligence, and the diagnostic dilemma: An epidemiologist's response. Lane JC. 1986;34:144-6.

Carcinoma
Barium granuloma mimicking rectal carcinoma. Arlow FL, D'Angelo DM. 1986;34:215-7.
Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Glines C, Eichenhorn M, Kvale P, Chapman R, Popovich J Jr. 1986;34:285-7.

Cardiotonic agents
New positive inotropic agents. Jafri SM, Bristol JA. 1986;34:188-92.

Carotid arteries
Interventional neuroradiology: Henry Ford Hospital experience with nonembolization procedures. Jack CR Jr, Mehta BA, Boulos RS, Patel SC, Ausman JI, Malik GM. 1986;34:11-8.

Catecholamines
Beta-adrenergic blocking agents in congestive heart failure. Goldstein S. 1986;34:184-7.

Cerebral ischemia
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Welch KMA, Ewing JR, Ausman JI, Diaz FG. 1986;34:48-50.

Cerebral revascularization
The EC-IC bypass study: Does it answer the question? Diaz FG, Ausman JI. 1986;34:75-7.
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Welch KMA, Ewing JR, Ausman JI, Diaz FG. 1986;34:48-50.

Cerebrovascular circulation
The effect of STA-MCA bypass on regional cerebral blood flow in ischemic foci. Robertson WM, Welch KMA, Ewing JR, Ausman JI, Diaz FG. 1986;34:48-50.

Cesarean section
Gravid uterine rupture following cesarean section and intervening vaginal delivery. Udo-Inyang A, Lee C, Evans E. 1986;34:215-7.

Chylothorax
Idiopathic bilateral chylothorax presenting as a left-sided neck swelling. Tankanow LB, Petrozzi C, Ward JC, Bower GC. 1986;34:130-1.

Consultants
Marketing physician practices: Developing an action plan for success. Steiner B, Klegon D, Conway W, McCarthy P. 1986;34:257-62.

Critical care
Chest radiographs in surgical intensive care patients: A valuable "routine." Horst HM, Fagan B, Beute GH. 1986;34:84-6.
Hemodynamic response to fluid challenge: A means of assessing volume status in the critically ill. Horst HM, Obeid FN. 1986;34:90-4.
Management of alcohol withdrawal in the critically ill patient: A selected review. Kantz RB, Horst HM. 1986;34:87-9.

Decision making
Imaging, screening, artificial intelligence, and the diagnostic dilemma: An epidemiologist's response. Lane JC. 1986;34:144-6.

Deglutition disorders
The first-bite syndrome. Haubrich WS. 1986;34:275-8.

Delivery of health care
Alternative delivery systems: The changing role of the physician. Siegel D, Klegon D. 1986;34:247-51.
The employer-purchaser impact on health care delivery and financing. Asmussen R. 1986;34:241-6.
Health care delivery system: Current trends and prospects for the future. Sahney VK, Peters DS, Nelson SR. 1986;34:227-32.

Denervation
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg MR, Glasberg JR, Jones RE. 1986;34:37-40.

Diabetes mellitus
The clinical usefulness of measuring apolipoproteins in diabetic patients: A preliminary report. Fachnie JD, McGill J, Foreback C, Kahkonen DM. 1986;34:113-6.

Diagnostic services
Trauma in pregnancy. Sorensen VJ, Bivins BA, Obeid FN, Horst HM. 1986;34:101-4.

Digitalis
Indications for acute and chronic digitalis administration in heart failure. Gheorghiade M. 1986;34:178-83.

Drug therapy
Endodermal sinus tumor in a 14-year-old girl. Boyce LC, Balchandani K, Padda R. 1986;34:132-3.

Echocardiography
Echocardiographic evaluation of patients with congestive heart failure. Alam M. 1986;34:163-7.
Echocardiographic features of metastatic pericardial and myocardial malignancy. Green C, Alam M, Rosman HS, Lakier JB. 1986;34:288-90.
Postinfarction papillary muscle rupture: A new M-mode echocardiographic sign. DasGupta DS, D'Cruz IA. 1986;34:70-2.

Education, medical, graduate
Money and manpower in graduate medical education. Leach DC. 1986;34:263-6.

Electrolytes
Potassium and heart failure. Rosman HS, Gheorghiade M, Goldstein S. 1986;34:174-7.

Embolization, therapeutic
Interventional neuroradiology: Henry Ford Hospital experience with transcatheter embolization of vascular lesions in the head, neck, and spine. Mehta BA, Jack CR Jr, Boulos RS, Patel SC, Ausman JI, Malik GM. 1986;34:19-30.

Endometriosis
Intussusception of the appendix and endometriosis. Sonnino RE, Ansari MR. 1986;34:61-4.

Epidemiology
Imaging, screening, artificial intelligence, and the diagnostic dilemma: An epidemiologist's response. Lane JC. 1986;34:144-6.

Esophageal varices
Injection sclerotherapy of bleeding esophageal varices: The Henry Ford Hospital experience. Verbeck SR, Zonca MC, Wong DKH. 1986;34:120-2.

Esophagogastric junction
The first-bite syndrome. Haubrich WS. 1986;34:275-8.

Financial management
No miracle remedies in sight for financing health care for the poor. Kuder JM. 1986;34:252-6.

Financing, government
No miracle remedies in sight for financing health care for the poor. Kuder JM. 1986;34:252-6.

Fluid therapy
Hemodynamic response to fluid challenge: A means of assessing volume status in the critically ill. Horst HM, Obeid FN. 1986;34:90-4.

Granuloma
Barium granuloma mimicking rectal carcinoma. Arlow FL, D'Angelo DM. 1986;34:213-4.

Group practice
Issues facing group practice in the 1990s. Steinhauer BW. 1986;34:237-40.
Marketing physician practices: Developing an action plan for success. Steiner B, Klegon D, Conway W, McCarthy P. 1986;34:257-62.

Health maintenance organizations

Alternative delivery systems: The changing role of the physician. Siegel D, Klegon D. 1986;34:247-51.

The employer-purchaser impact on health care delivery and financing. Asmussen R. 1986;34:241-6.

Health care delivery system: Current trends and prospects for the future. Sahney VK, Peters DS, Nelson SR. 1986;34:227-32.

No miracle remedies in sight for financing health care for the poor. Kuder JM. 1986;34:252-6.

Heart diseases

Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Keith FM, Magilligan DJ Jr, Lakier JB, Drost C. 1986;34:197-201.

Heart failure, congestive

Altered platelet function in patients with severe congestive heart failure. Jafri SM, Riddle JM, Raman SBK, Goldstein S. 1986; 34:156-9.

Beta-adrenergic blocking agents in congestive heart failure. Goldstein S. 1986;34:184-7.

"Congestion": An infrequent feature in patients with chronic heart failure on therapy. Jafri SM, Lakier JB, Rosman HS, Goldstein S. 1986;34:160-2.

Heart failure: New questions and insights about an old foe. Lakier JB. 1986;34:151-2.

Indications for acute and chronic digitalis administration in heart failure. Gheorghiade M. 1986;34:178-83.

Pathophysiology of heart failure. Gheorghiade M, Lakier JB. 1986;34:153-5.

Potassium and heart failure. Rosman HS, Gheorghiade M, Goldstein S. 1986;34:174-7.

Restrictive cardiomyopathy. Garcia R, Alam M. 1986;34:168-73.

Hematology

Robert K. Nixon, MD. Priest RJ. 1986;34:291-2.

Hemochromatosis

Robert K. Nixon, MD, Priest RJ. 1986;34:291-2.

Hemodynamics

Hemodynamic response to fluid challenge: A means of assessing volume status in the critically ill. Horst HM, Obeid FN. 1986;34:90-4.

Hemoptysis

Catamenial hemoptysis: A case report. Harkaway PS, Eichenhorn MS. 1986;34:68-9.

Hemorrhage

Injection sclerotherapy of bleeding esophageal varices: The Henry Ford Hospital experience. Verbeck SR, Zonca MC, Wong DKH. 1986;34:120-2.

Recovery following acute pontine hemorrhage. Redmond JMT, Ahmad BK. 1986;34:6-10.

Immunosuppression

Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Keith FM, Magilligan DJ Jr, Lakier JB, Drost C. 1986;34:197-201.

Infant mortality

Characteristics, mortality, and outcome of infants weighing over 2500 grams who require intensive care. Udo-Inyang A, Lee CY. 1986;34:279-81.

Infectious mononucleosis

Anti-HLA antibodies complicating infectious mononucleosis with thrombocytopenia and neutropenia. Kupin WL, Sawdyk M. 1986; 34:65-7.

Insurance, health

The employer-purchaser impact on health care delivery and financing. Asmussen R. 1986;34:241-6.

Health care delivery system: Current trends and prospects for the future. Sahney VK, Peters DS, Nelson SR. 1986;34:227-32.

Intensive care units

Characteristics, mortality, and outcome of infants weighing over 2500 grams who require intensive care. Udo-Inyang A, Lee CY. 1986;34:279-81.

Small cell carcinoma of the lung in the intensive care unit. Harkaway P, Glines C, Eichenhorn M, Kvale P, Chapman R, Popovich J Jr. 1986;34:285-7.

Intussusception

Intussusception of the appendix and endometriosis. Sonnino RE, Ansari MR. 1986;34:61-4.

Lens, crystalline

Bilateral dislocation of the crystalline lens in a patient with presumed syphilitic uveitis. Rapkin JS, Bogorad DD. 1986;34:207-10.

Lens dislocation and subluxation

Bilateral dislocation of the crystalline lens in a patient with presumed syphilitic uveitis. Rapkin JS, Bogorad DD. 1986;34:207-10.

Ligament

Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Ellis BI, Teitge RA, Gross ML, Shier CK. 1986; 34:270-4.

Liver cirrhosis

Injection sclerotherapy of bleeding esophageal varices: The Henry Ford Hospital experience. Verbeck SR, Zonca MC, Wong DKH. 1986;34:120-2.

Lupus erythematosus, systemic

Azathioprine-induced reversible severe dyserythropoiesis as a cause of anemia. Raman SBK, Abraham JP, Saeed S, Sawdyk M. 1986;34:202-6.

Marketing of health services

Marketing physician practices: Developing an action plan for success. Steiner B, Klegon D, Conway W, McCarthy P. 1986;34:257-62.

Medical assistance

No miracle remedies in sight for financing health care for the poor. Kuder JM. 1986;34:252-6.

Mesonephroma

Endodermal sinus tumor in a 14-year-old girl. Boyce LC, Balchandani K, Padda R. 1986;34:132-3.

Mortality
DNR—A God-like decision. Gade D. 1986;34:73-4.
Mortality from postoperative myocardial infarction in nonthoracic surgical patients at a community hospital. Gray ML, Reimer RS, Thompson MD. 1986;34:117-20.

Muscle contraction
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg MR, Glasberg JR, Jones RE. 1986;34:37-40.

Myocardial infarction
Mortality from postoperative myocardial infarction in nonthoracic surgical patients at a community hospital. Gray ML, Reimer RS, Thompson MD. 1986;34:117-20.

Myofibrils
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg MR, Glasberg JR, Jones RE. 1986;34:37-40.

Neurology
Science or technology: A challenge for clinical neurosciences. Elias SB. 1986;34:5.

Nutrition
Nutritional support of the brain injured patient: Five years of clinical study in perspective. Twyman DL, Bivins BA. 1986;34:41-7.

Nutrition surveys
The failure of anthropometry as a nutritional assessment tool. Bencich JJ, Twyman DL, Fierke A. 1986;34:95-8.

Osteitis deformans
Nineteen-year radiographic follow-up of untreated Paget's disease of bone. Shier CK, Ellis BI, Tennyson G, Kleerekoper M. 1986;34:127-9.

Osteoarthritis
Muscle pathology in total knee replacement for severe osteoarthritis: A histochemical and morphometric study. Glasberg MR, Glasberg JR, Jones RE. 1986;34:37-40.

Osteoporosis
Medical challenges in space. Frame B. 1986;34:136-43.
Robert K. Nixon, MD. Priest RJ. 1986;34:291-2.

Papillary muscles
Postinfarction papillary muscle rupture: A new M-mode echocardiographic sign. DasGupta DS, D'Cruz IA. 1986;34:70-2.

Parenteral feeding
Evaluation of the economic impact of pharmacist involvement in hyperalimentation therapy. Crots L, Shoup L. 1986;34:99-100.

Pediatrics
Joseph A. Johnston, MD: An appreciation. Manson G. 1986; 34:134-5.

Pericardial effusion
Echocardiographic features of metastatic pericardial and myocardial malignancy. Green C, Alam M, Rosman HS, Lakier JB. 1986; 34:288-900.

Platelet aggregation
Altered platelet function in patients with severe congestive heart failure. Jafri SM, Riddle JM, Raman SBK, Goldstein S. 1986; 34:156-9.

Platelet count
Altered platelet function in patients with severe congestive heart failure. Jafri SM, Riddle JM, Raman SBK, Goldstein S. 1986; 34:156-9.

Pneumonectomy
Pulmonary microembolism in the canine model: Report of a pilot study. Bivins BA, Rapp RP, Bell RM. 1986;34:109-112.

Potassium
Potassium and heart failure. Rosman HS, Gheorghiade M, Goldstein S. 1986;34:174-7.

Pregnancy complications
Gravid uterine rupture following cesarean section and intervening vaginal delivery. Udo-Inyang A, Lee C, Evans E. 1986;34:215-7.
Trauma in pregnancy. Sorensen VJ, Bivins BA, Obeid FN, Horst HM. 1986;34:101-4.

Probability
Imaging, screening, artificial intelligence, and the diagnostic dilemma: An epidemiologist's response. Lane JC. 1986;34:144-6.

Psychophysiology
Psychocardiologic perspectives of coronary artery disease. Ketai R. 1986;34:56-60.

Pulmonary embolism
Pulmonary microembolism in the canine model: Report of a pilot study. Bivins BA, Rapp RP, Bell RM. 1986;34:109-12.

Radiography
Chest radiographs in surgical intensive care patients: A valuable "routine." Horst HM, Fagan B, Beute GH. 1986;34:84-6.
Radiographic features of anterior cruciate ligament reconstruction. Burnstein MI, Ellis BI, Teitge RA, Gross ML, Shier CK. 1986; 34:270-4.

Reflex, stretch
The phenomenon of multiple stretch reflexes. Teasdall RD. 1986;34:31-6.

Respiration, artificial
High-frequency ventilation: Current status. Popovich J Jr. 1986;34:51-5.

Resuscitation
DNR—A God-like decision. Gade D. 1986;34:73-4.

Rheumatic fever
Joseph A. Johnston, MD: An appreciation. Manson G. 1986; 34:134-5.

Sex disorders
Use of a "permission giving" patient checklist in identification of social and sexual problems. Anderson WB. 1986;34:267-9.

Social problems
Use of a "permission giving" patient checklist in identification of social and sexual problems. Anderson WB. 1986;34:267-9.

Sympatholytics
Beta-adrenergic blocking agents in congestive heart failure. Goldstein S. 1986;34:184-7.

Syphilis
Bilateral dislocation of the crystalline lens in a patient with presumed syphilitic uveitis. Rapkin JS, Bogorad DD. 1986;34:207-10.

Thalassemia
Clinical and laboratory study of sickle cell/β-thalassemia. Maeda K, Van Slyck EJ, Hawley RC. 1986;34:282-4.

Thrombopenia
Anti-HLA antibodies complicating infectious mononucleosis with thrombocytopenia and neutropenia. Kupin WL, Sawdyk M. 1986; 34:65-8.

Transplantation
Status of cardiac transplantation with a report of the first year's experience at Henry Ford Hospital. Keith FM, Magilligan DJ Jr, Lakier JB, Drost C. 1986;34:197-201.

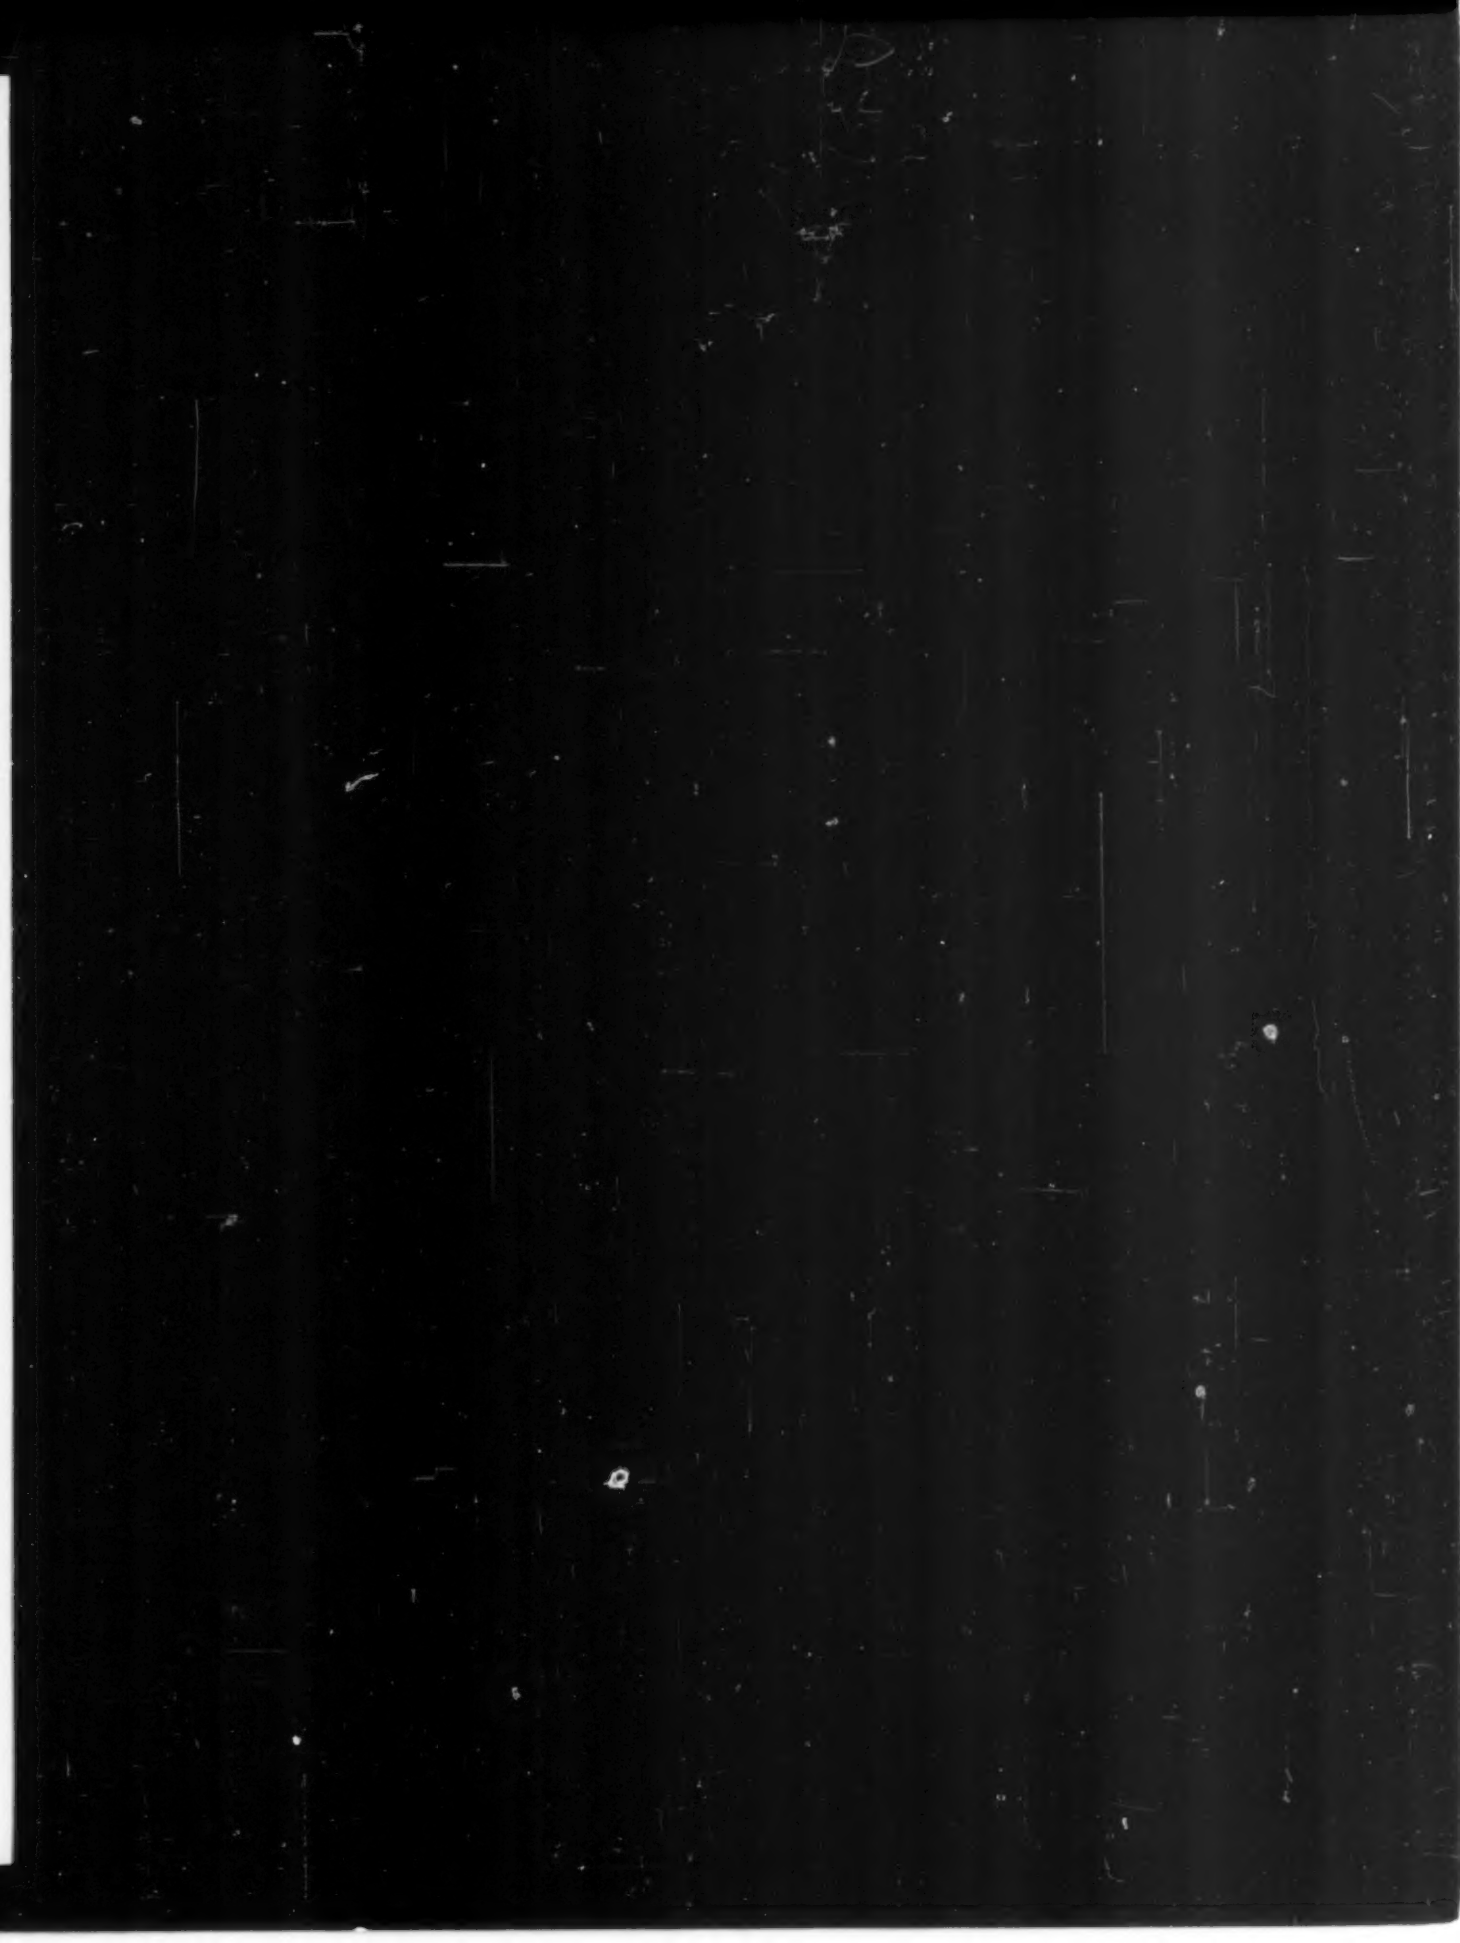
Uterine rupture
Gravid uterine rupture following cesarean section and intervening vaginal delivery. Udo-Inyang A, Lee C, Evans E. 1986;34:215-7.

Uveitis
Bilateral dislocation of the crystalline lens in a patient with presumed syphilitic uveitis. Rapkin JS, Bogorad DD. 1986;34:207-10.

Vascular surgery
A tribute to Dr. Szilagyi. Smith RF. 1986;34:211-2.

Weightlessness
Medical challenges in space. Frame B. 1986;34:136-43.

Wounds and injuries
Critical surgical services and the fragmented patient. Bivins BA. 1986;34:83.

The safety and efficacy of a new patient-controlled analgesia device in hospitalized trauma and surgery patients. Baumann TJ, Gutschi LM, Bivins BA. 1986;34:105-8.


Trauma in pregnancy. Sorensen VJ, Bivins BA, Obeid FN, Horst HM. 1986;34:101-4.
